OPPORTUNITIES for better futures
that you have made possible for *at-risk youth* in our

The Windermere Way.

At Windermere, we understand the importance of family and giving back to the communities in which we live and serve. That's why we created the Windermere Foundation, which has supported low-income and homeless families across the West for 23 years. The generous donations of Windermere associates and public supporters have allowed us to provide over 24 million dollars to hundreds of non-profit organizations. On the Eastside, we are proud to partner with local charities, including:
